## SMURFS

Sony/Columbia Pictures

In Theaters: August 3, 2011

They have been around for 50 years now, but for the first time they are coming to our world! When the evil wizard Gargamel chases the tiny blue Smurfs out of their village, they tumble from their magical world and into ours - in fact, smack dab in the middle of New York City and Central Park. Just barely three little apples tall, the Smurfs are stuck in the Big Apple! Now they must get home before Gargamel tracks them down.
