SUPERINTENDENT OF SCHOOLS

Dr. Drew Watkins

On behalf of Prosper Independent School District, we would like to welcome you to our great community. Thank you for dedicating your time in support of our student athletes and all other participants at tonight's event. We want to extend a special greeting to the students, parents, and community members from our visiting school district as well as our own as we share in an evening of celebrating the good hearted competition between our schools.

PISD continues to be one of the fastest growing school districts in the state of Texas. Prosper High School alone has grown nearly 750 students in the last five years and we are expecting to open our doors this fall to approximately 1,600 proud PHS Eagles! This continual growth will certainly bring many new and exciting challenges for our students and staff.

In the end, we believe that extracurricular activities play an integral part in the overall development of a young person's life. As fans and supporters, we ask that you respect the efforts of both teams along with the officials as we enjoy tonight's competition for there will be many young athletes and young fans following our lead.

Again, we appreciate your support of our students and wish you a safe journey home.

Sincerely,

Dr. Drew Watkins. Ed. D.
