Game Time Prayer

**We praise you God
for the opportunities You give us
every day to celebrate our lives in
this community. As we gather for
tonight's football game, we ask for
Your protection over each and every
participant in tonight's event. Help
them perform to the best of their
ability. We pray that every participant
would exhibit character and integrity
as they go about their lives.
Thank you for Your love and guidance.
May all of our actions glorify You.**

**In Your name we pray,
Amen**

2013 WYLIE EAST HIGH SCHOOL

School Song

**We Raider's stand strong for
Maroon,
Blue and the White.
These colors wave freely as a
symbol of our pride.
East be our treasure,
Never surrender,
And with the sun we rise with
majesty and sheer grandeur.
Long live Blue,
White and Wylie East Pride.**

Fight Song

**Fight Raiders Fight!
Fight Raiders Fight!
Fight for the school we love so dearly.
We'll hit'em high
we'll hit'em low,
We'll push that ball across the goal.
EAST FIGHT FIGHT!
We'll praise your name
boost you to fame,
Fight for the Blue and the White.
We will hit'em,
We will wreck'em.
Hit'em

Superintendent's Message

Welcome to the 2013 Raider Season!

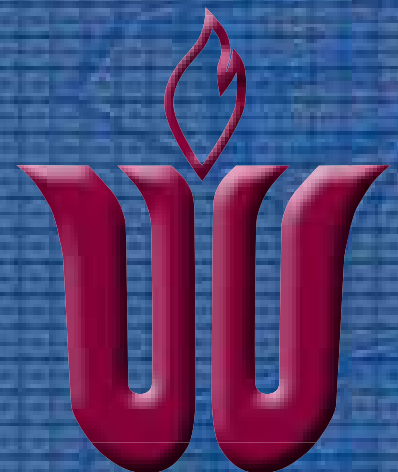

The great basketball coach John Wooden once said "Be more concerned with your character than your reputation because your character is what you really are, while your reputation is merely what others think you are." An important goal for WISD athletics and all UIL endeavors is to pursue victory with honor and character.

Whether you are a fan of the Pirates, Raiders or a visiting spectator, we hope you leave with the feeling that Wylie ISD student athletes and fans are building a sense of integrity and honor just as much as a good athletic program. The process for building good character comes from our coaches encouraging it and from our fans displaying it. As Knute Rockne, Head Coach of the Notre Dame Fighting Irish once said "One man practicing sportsmanship is far better than fifty preaching it."

Welcome to Wylie Stadium, where student athletes, coaches, and fans pursue victory with honor and character.

Principal's Message

Howdy Raiders,

Welcome to Wylie Stadium for tonight's game. Tonight's contest will be played according to rules established by the University Interscholastic League. During tonight's contest hundreds of students will be taking part. Each student has spent countless hours in preparation to demonstrate their skills. I encourage you to be a supporter of "your team", showing passion and loyalty, but be respectful in what you say and how you act when something does not go the way you desire. This is not the time or place where students or coaches should be openly criticized for their performance. As they perform, we ask that you support each person with positive encouragement and positive feedback.

The officiating crew for tonight's contest has been trained to follow and enforce the rules to their best abilities. At some point during the contest tonight, we might not agree with a call, but remember the officials are working their hardest to call a fair game for both teams.

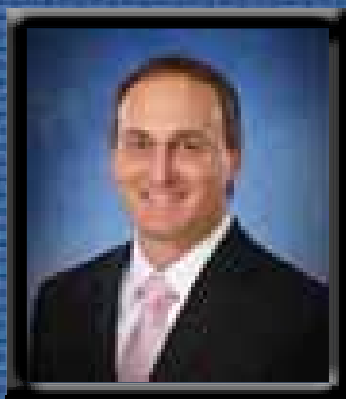

The 2013-2014 school year promises to be exciting and filled with opportunities for all students. The WEHS staff is looking forward to providing your student with opportunities which will allow them to reach their personal goals and lay the foundation for a successful future. We are your partner in education!

Sit back and enjoy a bag of popcorn and a coke while supporting your team... and remember it is a great day to be alive and a great day to be a Raider!

WYLIE ISD ATHLETIC DEPARTMENT

Raider Nation,

The 2013-2014 school year is upon us and with that comes the multitude of sports in which our Lady Raiders and Raiders will compete.

Our District 13-4A alignment with Denison, Greenville, Lovejoy, McKinney North, Royse City, Sherman, and Wylie High promises to provide outstanding competition during the year in all sports. I'm expecting great things from all of our athletic teams this year.

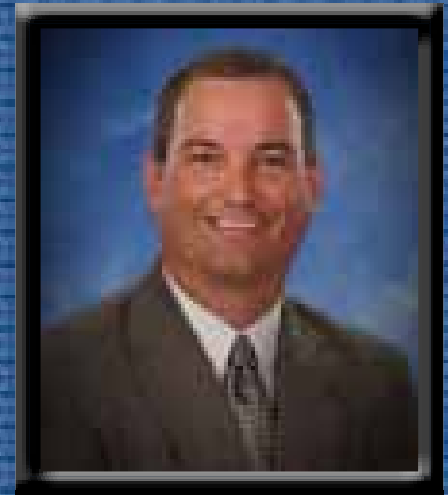

I'm confident that our coaches will prepare our student-athletes to compete at the highest levels, and I know the work-ethic demonstrated by our student-athletes will be second to none. So, as we kick-off the school year with the football and volleyball seasons, I want to wish all of our athletic teams the best of luck as they embark on the 2013-2014 school year!

I look forward to seeing all of you throughout the year as we support the Lady Raiders and Raiders during their many competitions.

Sincerely,

RAMSLING THE BAR

Dear Raider Nation,

As we begin the 2013 football season I would first like to thank the ever growing Raider Nation family for all your support. You can take great pride in knowing that you are a big part of our success. 2012 was a great year. Our 2nd senior class played 3 rounds deep in the play-offs. The 2013 Wylie East Raiders are eager to start the season and represent Wylie ISD and the Raider Nation with respect. One of our Wylie Way essentials of Behavior is "Honor before Victory". Our players have taken this to heart and are prepared to represent themselves, their families and the Wylie East Raiders the right way on and off the field. Come Friday—be loud and be proud of your Wylie East Raiders.

SAPPHIRES
2013-2014 Wylie East Sapphire Drill Team

Dear WEHS parent or guests,

On behalf of the entire Wylie East High School Athletic Family we would like to welcome you. We are confident that you will find Wylie East High School to be a supportive learning environment where every child is afforded the opportunity to reach his or her dreams.

The Wylie East Athletic Booster Club was formed in 2009. The association is comprised of parents, administrators and community leaders who, through financial support and individual effort, are dedicated to promoting ALL athletic programs at Wylie East High School and enhancing competition at the highest level.

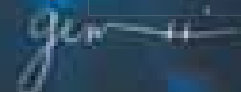

The club's main goal is to support the entire Wylie East athletic program. Through various fundraising efforts we have been able to make donations in excess of \$60,000 to Wylie East Athletics. Our success is only possible through the support of the entire Wylie East Community as well as through the hard work and dedication of the players and coaches.

The Booster Club sponsors several events such as "Meet the Raider Night" and individual Athletic Banquets throughout the year. The club is also committed to awarding two \$1000 scholarships to graduating senior athletes whose parents are active members of the booster club.

In order to continue to support the athletic programs at Wylie East High School, the Wylie East Athletic Booster Club is asking for your involvement. We understand that everyone has busy lives, so we strive to keep the time required to a minimum. We operate under the motto "Your Kid Is Worth It." We truly believe this and hope you share the same belief. Please consider joining the booster club. For information about membership, please contact Janet Wyatt, the Membership Committee Chair, at JLWyatt@garlandisd.net.

If you have any other questions regarding the Wylie East Athletic Booster Club, please feel free to contact me at gmmccain@cinemark.com. In the words of Mr. Mike Williams, "It's a great day to be alive and a great day to be a Raider."

Regards,

Gary McCain
